## 2<sup>nd</sup> Annual Willie Ray Davis Golf Tournament Sponsor Form

Thank you for taking time to review information about our organization. We are pleased to share with you a little about us and our event. The Austin African-American Firefighter's Association is a non-profit, non-partisan organization. The Willie Ray Davis Golf Tournament will be held September 30, 2025.

Our mission is to actively participate in promoting, encouraging, advising and producing professional competent African American firefighters while ensuring equality, and promoting diversification in the fire service and the community. Our objects include:

- Provide to the community mentors and role models
- Work with the city of Austin's goal and efforts to have a diverse Fire Department
- Provide information and career guidance
- Aid in communicating firefighter opportunities within Austin Fire Department to the public
- Provide advice and assistance.

The Austin community means a great deal to us, and we believe in giving back to the community in more ways than just through our job. Community activities we have been involved in include: School mentor programs, assisting with voter registration, neighborhood clean-ups, school supplies for children, and Pass the Torch youth basketball camps and fire academies. Our future community involvement plans include supporting the Austin Coats-For-Kids program, assisting little league programs with uniforms especially those in needy areas, tuition assistance, and even a scholarship program.

We welcome donations in any amount from businesses or individuals to help us support our goals. We would like to request a contribution from your organization to assist us with reaching our goals. Please review our sponsor options, your support is welcome, appreciated, and will be used to help those in the Fire service and the community. As a reminder, donations of raffle prizes or services are welcome too. We can have an AAFFA member pick up items within the local area for donations. Our website has a list of areas you can support with.

Thank you in advance for your support.
